#### C. Unacheduled Estimates

We anticipate that at least some of the following critical or potentially critical situations may require national estimates at almost any time, though they do not require or lend themselves to formal scheduling in advance.

#### 1. Southeast Asia Froblems

We expect that estimates on the Vietnam problem, and possibly on Laos and Cambodia, will be called for during the next few months.

- 2. Cyprus and its implications
- 3. Chinese Communist Advanced Weapons
- 4. French Foreign Policy

- 6. Latin American problems will be treated broadly in NIE 80/90-64, scheduled for completion in the second quarter. We note, as likely candidates for more particular attention, Argentina, Brazil, Venezuela, and Panama.
- 7. East Africa major political, economic and/or security problems plague Zanzibar, Uganda, Tanganyika, and Kenya.
